

New Graduate Licensed Practical Nurse /Registered Practical Nurse

Join our team at Island Health

Are you a new graduate LPN ready to build confidence and apply your knowledge, skills in a supportive environment? Island Health is excited to congratulate and welcome you to the next step in your journey in becoming an LPN.

We understand that thinking about where you want to begin your nursing career can feel overwhelming. That's why we're committed to helping you make a smooth and confident transition from student to practicing LPN, with the support, guidance and resource you need to thrive in your new role.

We're excited to offer both part-time and full-time opportunities across the region. Whether you're passionate about Acute Care, Long-Term Care, Mental Health and Substance Use, or Restorative Health and Rehabilitation, we have a variety of settings to match your interests.

Once you complete your studies, to join our team you will need:

- Eligibility for provisional licensure or current and active registration with BC College of Nurses and Midwives (BCCNM) as a practicing licensed practical nurse registrant.
