

New Graduate Registered Nurse /Registered Psychiatric Nurse

Join our team at Island Health

Are you a new graduate RN/RPN ready to build confidence and apply your knowledge, skills in a supportive environment? Island Health is excited to congratulate and welcome you to the next step in your journey in becoming an RN/RPN.

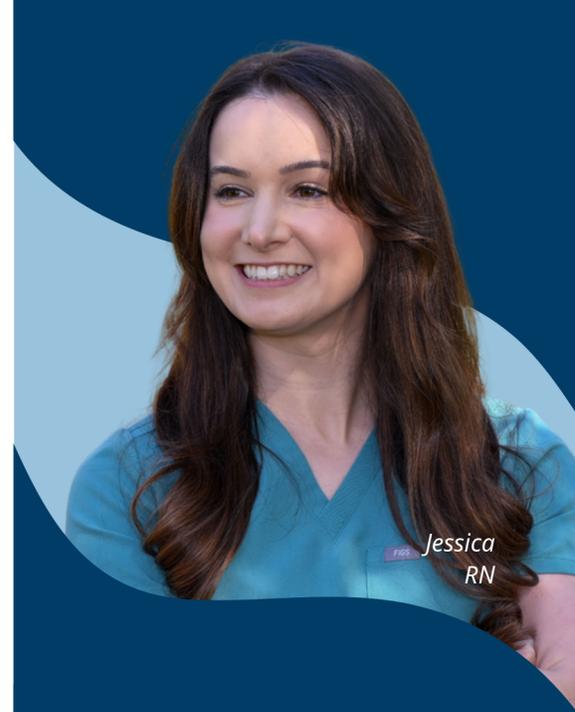

We understand that thinking about where you want to begin your nursing career can feel overwhelming. That's why we're committed to helping you make a smooth and confident transition from student to practicing RN/RPN, with the support, guidance and resource you need to thrive in your new role.

Once you complete your studies, to join our team you will need:

- Eligibility for provisional licensure or current and active registration with BC College of Nurses and Midwives (BCCNM) as a practicing RN registrant or a practicing RPN registrant.
- Recognized post-basic education required for some clinical areas, or an equivalent combination of education and experience.
- Basic Life Support, Level C.
- Advanced Cardiac Life Support may be required for some clinical settings (e.g. Emergency Room).
