## LIVING AND WORKING HERE

### Welcome to Northern BC!

Northern Health (NH) boasts the most affordable communities in BC to live, work, and play. NH covers an area of nearly 600,000 square kilometres and offers health services in 26 communities and multiple First Nations, Métis, and Inuit communities.

Experience the diverse beauty of the Canadian landscape while taking advantage of year-round outdoor activities in a variety of urban, rural, and remote communities. [Visit our website](#) to learn more about the regions we serve and find your perfect fit.

### About the role

We're seeking new graduate nurses dedicated to providing compassionate patient care in the North. Our New Graduate Transition program provides targeted supports including funding, education, and mentorship to enhance your skills and build your confidence as a new nurse.

Highlight your knowledge and grow your skills in a dynamic environment! For full position details, [explore current opportunities on our website](#).
